

INDIAN POULTRY SCIENCE ASSOCIATION

IPSA Andhra Pradesh chapter Award for best MVSc Dissertation-2025

1. Sponsor

Andhra Pradesh chapter of IPSA, Hyderabad.

2. Objectives of the Award

- 🐔 To recognize the outstanding original research done by Master degree students in the discipline of Poultry Science
- 🐔 To encourage high quality post-graduate research in priority areas of poultry science

3. Nature of the Award

- 🐔 This award is meant exclusively for Master thesis in Poultry Science discipline from any Indian University/Research Institution. **Every year one MVSc thesis** will be awarded. The individual award will consist of a citation, cash prize and medal made of silver having gold plating.

4. Eligibility

- 🐔 For the award of 2025, the thesis approved (PDC) during January to December, 2024 will be considered.
- 🐔 The thesis should be a part of the Masters programme that leads to MVSc. degree in Poultry Science.
- 🐔 The research work must be original and must have a direct bearing on some relevant aspects of the Poultry production, health or management systems.
- 🐔 The results obtained should have the potential of enhancing the production/productivity/sustainability of the Poultry production/management system or substantially advance our knowledge.
- 🐔 Should have published/accepted research paper(s) in a peer reviewed journals.
- 🐔 Once awarded he/she will not be eligible for Avitech/IPSA Young Scientist/Dr. P. Kothandaraman award in same year (one member one award).

5. Administration of the Award

- 🐔 There shall be a Judging Committee consisting of 5 expert members from different disciplines of poultry sciences for evaluation of entries. Shortlisted applicants are required to make a presentation in front of the committee maximum time of 10 min and 3 min discussion.

6. Evaluation Criteria

- 🐔 The thesis to be evaluated will be awarded marks in ratio of 50 (for Thesis evaluation): 20 (for presentation): 20 (for Publication/patents applied) :10 (for academic qualification).
- 🐔 The thesis will be evaluated on following basis
 - Conceptual clarity, Scientific, technological and socio-economic relevance

and priority of the research problem

- Compilation, analysis and interpretation of existing literature, quality of illustrations and photographs
- Organization of research work: Complementarily of the various experiments and investigations and their integration into a logical plan of work
- Conduct of the research programmes: Scientific soundness and technological modernity of the experimental methods and logical planning
- Scientific validity and accuracy of the analysis of experimental data
- Principal findings: To what extent do they meet the objectives of the research programme.
- In what way the findings constitute a significant advance in our knowledge and understanding or help improve productivity and sustainability.

 Publication will be awarded marks on their quality as judged by the NAAS rating

 Academic qualification will be evaluated based on marks obtained /OGPA in graduation and post-graduation.

7. Procedure

Applications for the award made in the prescribed application proforma obtainable free of cost from the IPSA web site (www.ipsa-cari.org.in), IPSA Head Office and also given below, will be accepted on or before the prescribed last date.
